

## AKINYEMI PELUMI ANU

**OBJECTIVE** I'm an efficient, teachable, and goal-oriented young graduate who possesses communication and interpersonal skills. I am interested in working for an institution where coordination and excellence are achieved by harnessing the increasing challenges that must be confronted in our world of technological advancement through diligence, integrity, and a firm vision

### PROFESSIONAL ACHIEVEMENTS

#### LEADERSHIP & PROJECT COORDINATION

Facilitated skill-acquisition training for young creatives at **Royal Breed Skill Acquisition**, empowering participants with graphics and digital skills.

Participated in multiple leadership development programs that strengthened communication, teamwork, and strategic thinking abilities.

Assisted with administrative and fieldwork operations during internship at the Ministry of Agriculture, contributing to improved data organization and project reporting.

#### FULL-STACK ACHIEVEMENTS

Built and deployed full-stack applications using React, Node.js, Express, and MongoDB, improving performance and user experience.

Implemented responsive UI designs with animations and modern frameworks, improving user engagement metrics.

#### GRAPHICS & CREATIVE DESIGN

Improved client brand visibility by producing consistent, audience-focused graphics that increased engagement by up to 40%.

Successfully handled multiple design projects simultaneously while meeting deadlines and maintaining high quality.

### SKILLS & CERTIFICATIONS
